

Modern Tower Design

Dubai - Wadi Al Safa

Tower Overview

We have designed the full interior of this residential tower for **Dalmore Real Estate Developments**, including the apartments and all amenities such as the swimming pool, gym, corridors, and reception area. Located in **Wadi Al Safa, Dubai**, the tower embraces a modern luxury style with elegant finishes and thoughtful details throughout every space.

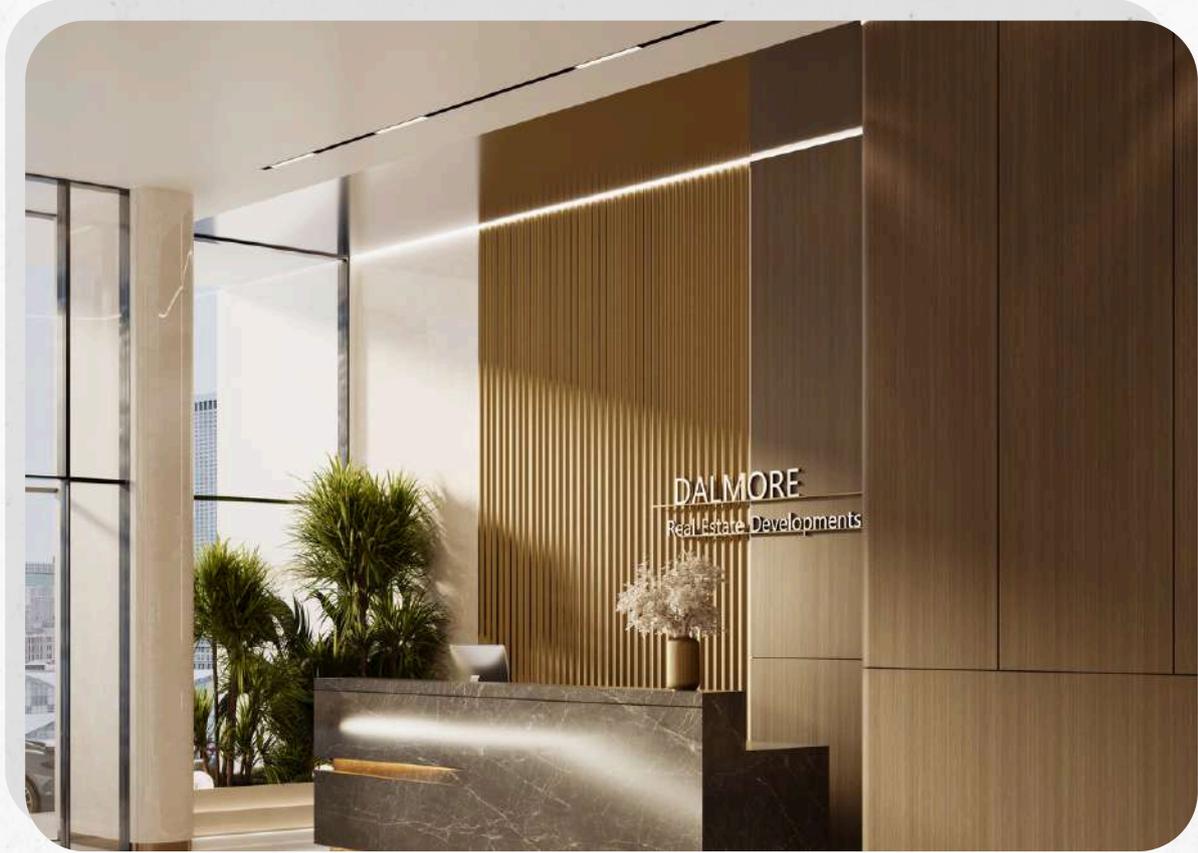

Reception

Lounge

A modern lounge area featuring a curved, light-colored sofa with dark wood accents and teal cushions. A round, metallic coffee table holds a glowing orb, a bowl of fruit, and a vase of dried flowers. Large windows offer a view of a tropical landscape with palm trees and a blue sky. The room is illuminated by recessed ceiling lights and a decorative light fixture on the left.

Elevator Corridor

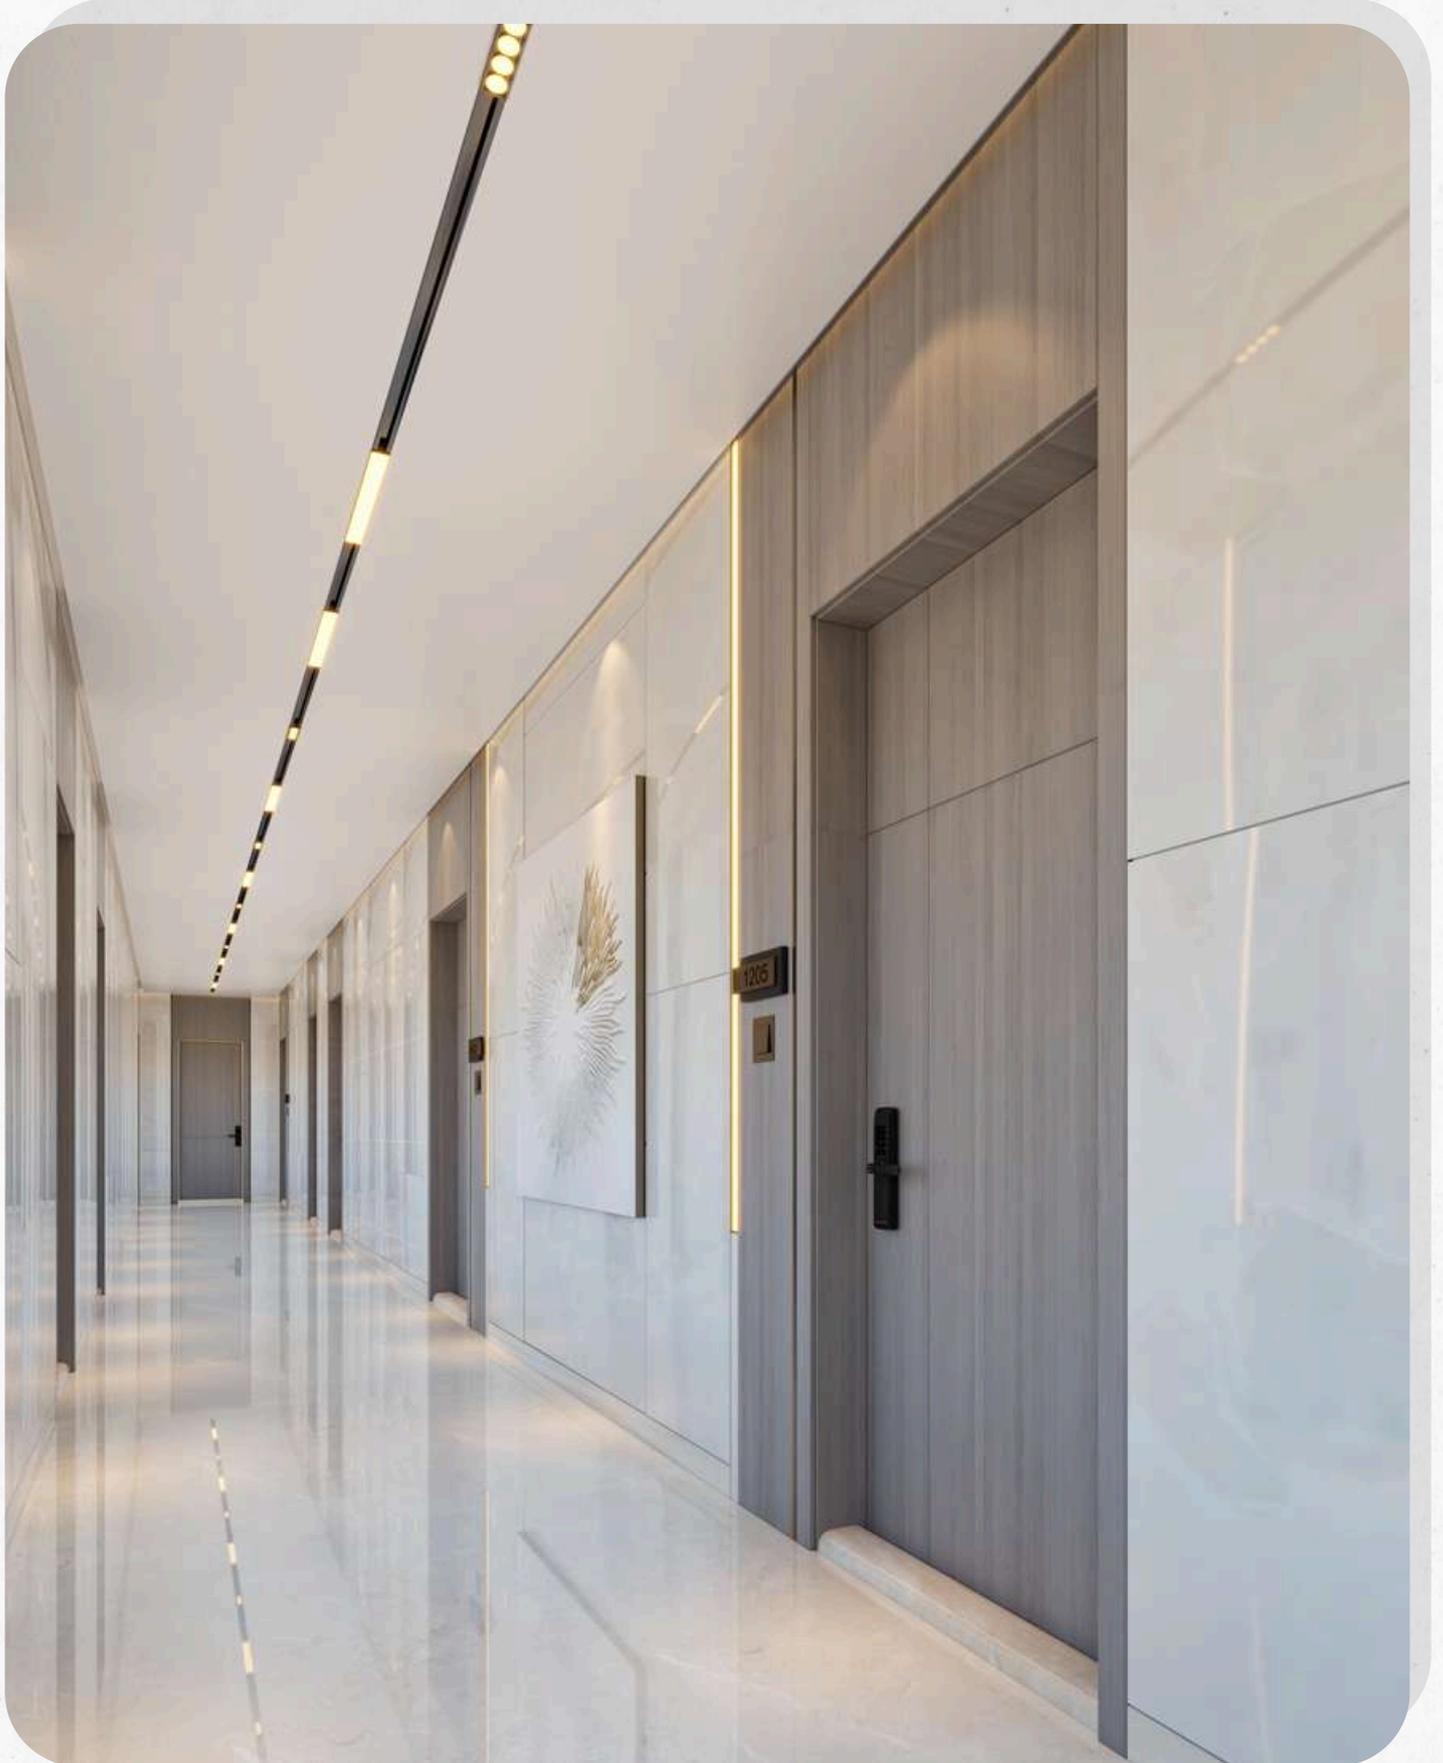

A modern, minimalist apartment interior. The room features a large window with a view of a city skyline, including a prominent tower. The ceiling is white with a black track lighting fixture. A large, sculptural chandelier made of many small, golden, leaf-like pieces hangs from the ceiling. The walls are light-colored with a subtle, abstract pattern. The furniture includes a beige sofa, a white coffee table, and a side table with a lamp. The overall aesthetic is clean and sophisticated.

Pool Area

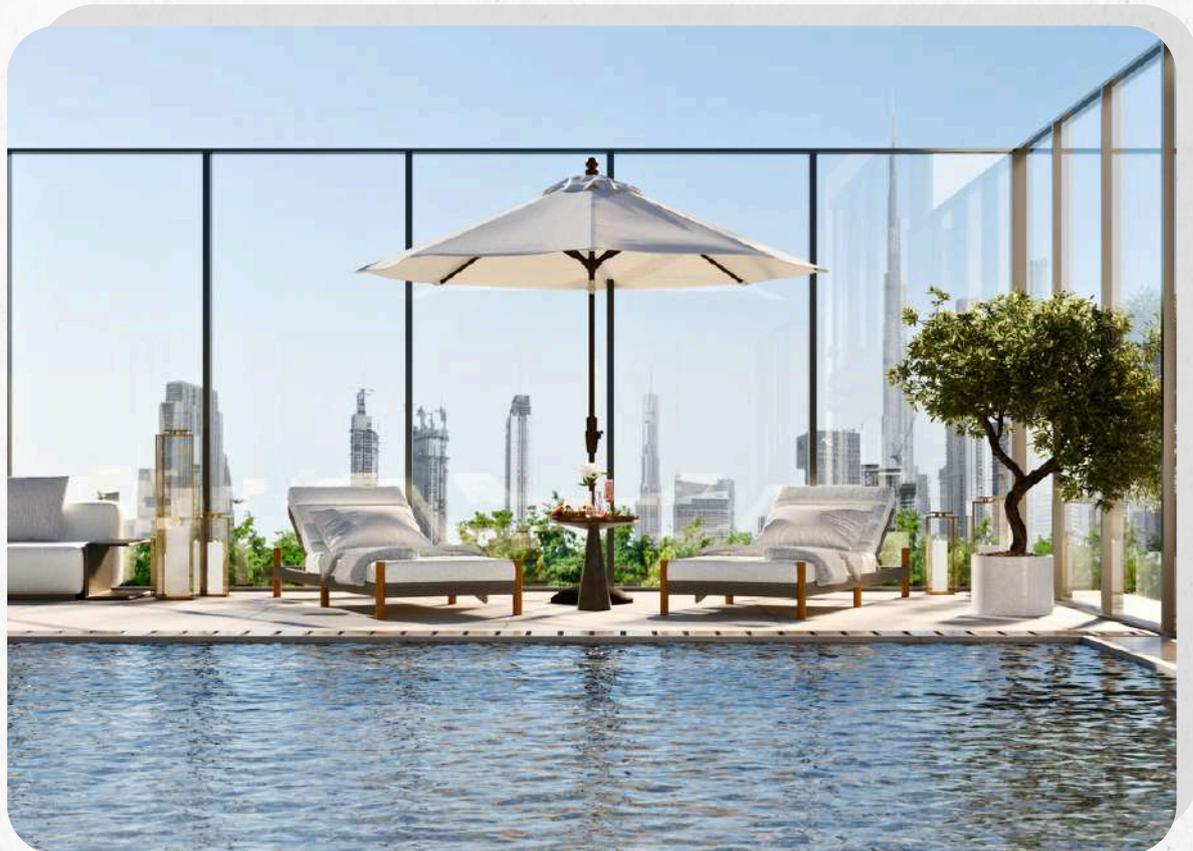

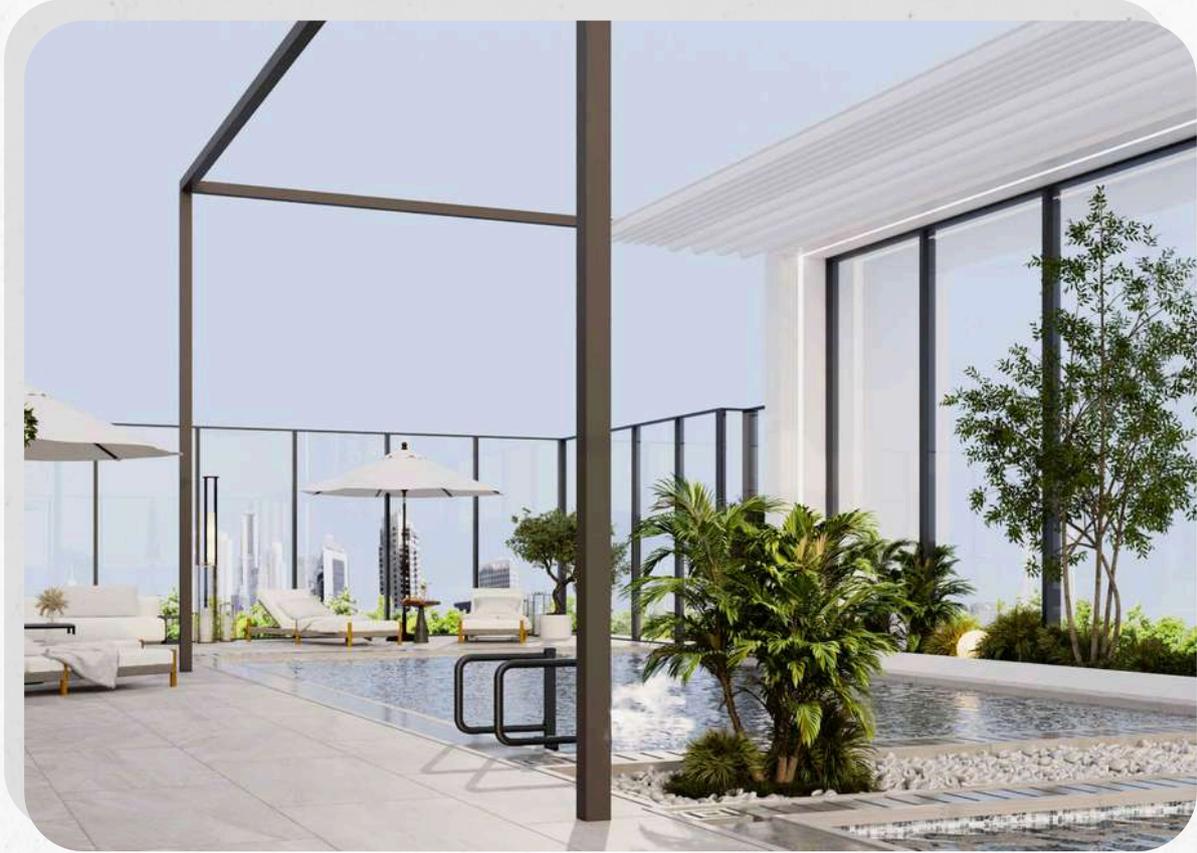

Pool Area

A modern outdoor BBQ area featuring a circular fire pit with a stainless steel lid, set within a concrete base. The fire pit is surrounded by grey pebbles. In the background, there is a wicker chair and a table, and a city skyline is visible through a large glass window. The scene is lit with warm, ambient lighting, suggesting a sunset or sunrise setting.
